Dennis's second son was born in 2000 and true to family tradition, Ethan (like his older brother, Alec) has his "own" wine. 100% Syrah crafted from small lots of Mt. Veeder and Pritchard Hill fruit, the wine is so brilliant and dark it practically screams purple – like a 3-year old. Monster blackberry fruit, ultra-spicy oak and coconut aromas never yield in this super-ripe, smoky, and runaway fun wine!

"A potent young wine, dark, rich and saturated with wild berry, smoked meat, mineral, sage and melted chocolate, ending with a burst of berry fruit and long, detailed finish."

- James Laube, *Wine Spectator*
