Like a velvet hammer or a brainy bombshell this wine will knock you out - complex, concentrated and curvaceous! Gorgeous, super-ripe plum, seductive cedar and sweet oak spice aromas are lifted and lingering. Velvety lush on the palate with an underwire of fleshy, chewy tannins and a tick of café mocha the wine delivers a peak pleasure experience for your mind and senses.

“This red is powerful yet silky and focused, with blackberry and toasty mocha aromas and plush, layered flavors of blackberry, mineral and spice that take on tannins at the finish. Drink now through 2014.”
